

ALAN In 2025: Impact Report

ALAN believes in the power of logistics to make a positive difference. Throughout 2025, we remained steadfast in our mission to save lives and reduce suffering by engaging industry to supplement non-profit organizations' logistics capabilities.

Thanks to the unwavering support of our volunteers, donors, and partners, we've transformed challenges into hope and resilience for communities across the country. And we'll continue to stand ready to serve wherever we're needed next.

Our Impact

When disaster strikes, the need for transportation, storage, logistics expertise, and essential supplies becomes urgent—and complex. With each new challenge this year, ALAN mobilized its network of partners to deliver aid to affected communities efficiently, quickly, and compassionately.

1.5 Million People Served

25.7k Miles Of Donated Transportation

251 Requests Received

93 Cases Filled In 2025

\$644k Fair Market Value Of Services Donated

479 Pallets Of Aid Distributed

Case Highlights From This Year

EXPERTISE AND RESOURCES

from ALAN's Kerr County Logistics Capacity Assessment were provided to help partners identify gaps and move relief supplies more effectively after the Texas floods.

1 TRUCKLOAD

of cleaning supplies and hygiene products was transported to support Maryland flood survivors thanks to The Terminal Corporation.

2,000 PALLETS

of donated air purifiers were stored and managed in Southern California thanks to donated warehousing from States Logistics, allowing Baby2Baby to distribute critical supplies after the LA fires.

10 PALLET JACKS

were delivered to four nonprofits responding to Hurricane Helene and the LA fires. Transportation was donated by Port Jersey Logistics.

8 PALLETS

of diapers were transported from Stone Mountain, GA, to Shawnee, OK, to support tornado survivors. Transportation was donated by CEVA Logistics.

1 FORKLIFT

was donated by Southern States ToyotaLift to support Boricuas de Corazon's recovery work for Hurricanes Helene and Milton.

15 PALLETS

of donated water were delivered to Keep Phoenix Beautiful for extreme heat relief. Transportation was donated by Southwest Truck Driver Training.

Thank you for being part of ALAN's ability to support these communities affected by disaster.

Celebrating 20 Years

In October 2005, in the wake of Hurricane Katrina, nearly 50 individuals and nine professional organizations gathered to create ALAN. Since then, ALAN has supported more than 300 non-profits across 100+ disasters, delivering free logistics services, equipment and expertise valued in the millions – and helping approximately 10 million people.

On October 5 of this year, we celebrated ALAN's 20th anniversary and presented the 2025 Humanitarian Logistics Awards.

"Over the last 20 years, we've often said that when bad things happen, good people show up. That's what these awards are all about," said ALAN Executive Director Kathy Futon. "Throughout the years and over the course of many disasters, all of our award recipients have repeatedly stepped up to help without ever asking what's in it for them – and truly gone above and beyond to assist disaster survivors."

This year's honorees included:

- **Continental Logistics (a Port Jersey Logistics company)**, Outstanding Contribution To Disaster Relief Award
- **Fleet Advantage**, Employee Engagement Award
- **Niagara Cares**, Employee Engagement Award
- **Partners Warehouse**, a Flex Logistics company, Outstanding Contribution To Disaster Relief Award
- **Dr. Burcu Balçık**, Ozyegin University, Research And Academic Contributions Award
- **ALAN's founders**, Lifetime Achievement Award

"Each of these recipients exemplifies what selfless logistics is all about – all while reminding us of the incredible good the supply chain community can do," Fulton said. "We're thankful for their generosity, inspired by their example, and honored to give them the recognition they so deeply deserve."
